Dear Camden Bulldog Club Supporter:

The Camden Bulldog Club expresses its sincere appreciation for your support of Camden High School's student-athletes. We provide assistance to over 300 athletes representing seventeen sports and twenty-six teams. Your membership contribution, as well as club fundraisers, is instrumental in providing the funds to ensure that all the athletic programs at Camden High continue to excel.

At the athletic complex on Ehrenclou Drive, we were excited to see the completion of the storage/restroom/concession building and the paved parking lot. The boys' tennis team played its first matches on the new courts at the new athletic complex on the way to winning the Lower State Championship. In addition, significant progress was made on the eight-lane track and the practice fields. These new facilities rival any in the state and we are very appreciative to the community for its support of our programs.

Camden High student-athletes and coaches serve as positive role models in our school and in our community. We are very proud of the first-class conduct of our young men and women and believe that they deserve to practice and to perform under the best conditions possible.

It is the mission of the Camden Bulldog Club to provide support to all athletic teams. The Camden Bulldog Club Board is composed of parent-representatives for each sport as well as school and community representatives. The board works very hard to ensure that all teams are supported by our fundraising efforts. In 2009-2010, our financial support to Camden High athletics included paying team tournament fees, providing meals for playoff teams, purchasing shirts for region champion teams, purchasing benches for new tennis courts, and allocating funds for the new athletic facilities. In addition, the Bulldog Club sponsored two "Meet the Bulldogs" programs, activities at DogFest and hosted the athletic banquet and awarded two \$500.00 college scholarships.

We need your support to help our teams continue to succeed. All contributions make a difference and we hope that you will decide to become a member of the Camden Bulldog Club. Included in this brochure is information about membership levels. If you decide to become a member, please return your membership information and contribution by July 31st as we have a printing deadline for recognition purposes. If you have questions, call Kevin Charles at 803-795-8618 or Lindsay Pierce at 427-1411.
