Once again we will be competing against LEHS to raise more money for the United Way. The results will be announced at half-time of the game. Last year we raised only a few hundred dollars less than LEHS. For each of the past two years Camden High raised over \$10,000. Please consider supporting this fundraiser by sending donations during the week of Sept 10-16. Camden High School, Attention Student Council, 1022 Ehrenclou Drive, Camden, SC 29020.

DIG PINK EVENT
SPONSORED BY THE VOLLEYBALL TEAM
Wednesday, October 12th at 5:30

During the month of October, Camden High School's Volleyball team is participating in the "Dig Pink National Breast Cancer Awareness Rally." They are promoting breast health education in the community as well as raising funds to help eradicate breast cancer. The team is wearing pink socks and ribbons in each match to raise awareness of breast cancer. Each participating school hosts a Dig Pink event. Camden High's event will be on October 12th when the CHS volleyDogs host Irmo and Cardinal Newman. Dig Pink attendees will watch the girls compete on the court and be able to participate in the awareness program. All fans are encouraged to wear something pink. Breast cancer survivors will also be honored and booths will be set up to distribute awareness materials. Contributions can be made the night of the event or you can visit the team's web page at Side-Out.org. The team is also taking pledges for every dig or kill they make during the month of October. For more information call Amy Speaks at 425-8930.
